

## Finlaysons' Women in Business sponsor Shorts Film Festival

Issue: 1 July 2010

---

Finlaysons is proud to be sponsor of the 2010/2011 Adelaide Shorts Film Festival to be held in April 2011.

Shorts Film Festival has been running since 2003 and aims to give both emerging and established filmmakers and screenwriters an opportunity to tell Australian stories. The 2009 Festival received a record number of entries and the quality of films improves year on year.

Shorts Film Festival stands alone as Australia's only national short film festival and competition entirely dedicated to ensuring that the specialist craft of storytelling through film is fostered and celebrated.

Shorts presents a showcase of Australian talent across a week of lounge-style film screenings. Set in non-cinematic, eclectic venues, Shorts is an intimate event that combines great film, fabulous food and a cocktail atmosphere to create a uniquely creative vibe. The festival is a fantastic opportunity for filmmakers, artists and Finlaysons Women in Business guests to mingle, creating an enthusiastic audience that's fanatical about film.

Finlaysons is widely recognised and respected for its support of women in the workplace. Finlaysons Women in Business, established in 1997, regularly conducts events which aim to provide important professional, commercial and personal links among business women, including our own Finlaysons women, working in South Australia and beyond.
